PROFILE SUMMARY

A motivated and passionate individual with hands-on experience in the logistics field and strong proficiency in Excel. Seeking an opportunity in the IT industry to apply my analytical skills and practical knowledge while continuing to learn and adapt to emerging technologies. Committed to continuous professional development and known for quickly grasping new concepts to solve real world challenges effectively.

EDUCATION

2022 - 2024
BHARATHIDASAN UNIVERSITY
MCA - Computer Applications
CGPA: 7.16
2019 - 2022
KAMARAJ UNIVERSITY
BCA - Computer Applications
CGPA: 7.52

WORK EXPERIENCE

FREIGHTIFY SOLUTIONS INDIA PRIVATE LIMITED | 2025 - Present

Business Process Analyst

- Managed the transformation of raw freight rate sheets into structured digital rate cards while ensuring accuracy of global surcharges. Utilized advanced Excel tools, RMS backend systems, and Python-based automation to reduce manual effort and processing errors. Collaborated cross-functionally with operations, pricing, and technology teams to optimize workflows and maintain data integrity.
- Led process improvement initiatives to streamline rate management processes and enhance operational efficiency. Implemented automation solutions, performed post-implementation reviews, and ensured consistent accuracy in logistics rate data.

SKILLS

- HTML5, CSS3
- Basic Python
- MySQL
- MS Excel
- Power BI

ACADEMIC PROJECT

Shiash Info Tech (Chennai, Tamil Nadu).

Deeper Dive into Autarkic Wearables with Inductive Energy Transfer
Jan 2024 - Apr 2024

- Spearheaded research on water-soluble electronics for medical devices, enhancing sustainability and biocompatibility.
- Developed biodegradable insulin pumps, needle-free injectors, and transient heart monitors to improve patient care and adherence.
- Integrated inductive energy transfer for efficient, self-sustaining medical wearables.
- Applied principles of materials science, biomedical engineering, and sustainability to revolutionise medical device design.

KEY SKILLS

- Excel & Data Validation
- Logistics Data Analysis
- Attention to detail
- Documentation

CERTIFICATES

- Data Science for Everyone – Reliance Foundation
- Data Analytics & Visualization Job Simulation – Accenture (Forage)
- Data Visualization: Business Insights – Tata (Forage)
- Data Analysis & Forensic Technology Job Simulation – Deloitte (Forage)
- Data Analysis Certification – IBM
